Give wisely. Create a lasting legacy.

Donor-Advised Funds

Embrace the joy of giving

Each year, individuals donate hundreds of billions of dollars to charity. Many feel a deep-rooted obligation to give back to society or wish to inspire future generations to continue a tradition of philanthropy.

If you give regularly to charitable organizations, or would like to, we'd like to introduce you to a simple, straightforward way to realize the satisfaction that can come from giving.

It's called the **U.S. Charitable Gift Trust**, sponsored by Eaton Vance.

Simplify your giving

U.S. Charitable Gift Trust® (Gift Trust) is a tax-exempt public charity sponsored by Eaton Vance Management (Eaton Vance), a longtime leader in wealth management solutions. The Gift Trust offers a variety of ways to help Donors make the most of their charitable contributions.

Donor-Advised Funds

Consolidate your giving with a tax-deductible contribution to a Donor-Advised Fund. Then, on your timetable, select qualified charitable organizations for the receipt of grants (subject to the review and approval of the Gift Trust). You can build a legacy of charitable giving by passing on the role of Donor Advisor to your heirs or other individuals, or requesting that a charitable endowment account be established and gifted out over time upon your passing.

Who's eligible to donate?

Each Donor-Advised Fund may accept contributions from individuals, trusts, estates and others. The Donor-Advised Funds may also accept contributions from other donor-advised funds and private foundations, although such donations are not tax deductible by you.

Generally Acceptable Contributions

- Cash
- Stocks
- Mutual funds
- Real estate
- Tradable municipal bonds
- Pre-IPO shares
- C or S Corp stock
- LLC and LP interests
- Cash value of life insurance
- Annuities
- Distributions from other donor-advised funds or private foundations

Gifts of short-term or tax-exempt securities are not acceptable.

Make your donations go further with appreciated stock

When it comes to charitable giving, some donations are more tax effective than others. For example, long-term appreciated stock gifts typically net significantly larger tax savings than cash-only gifts.

Actual results will differ and could be substantially different. Have your financial advisor contact Eaton Vance Distributors, Inc. to obtain an estimated federal income tax deduction based on your specific situation. Note: A state income tax deduction also may be available.

¹Assumes top 2022 tax rate for families with income over \$647,850 (\$539,900 for single taxpayers). The maximum federal long-term capital gains rate applied toward the potential recognized gain of \$80,000 is 23.8% (includes the 3.8% Medicare surtax). This illustration does not include any potential state or local tax consequences.

²Under federal income tax law, certain limitations apply to the amount of the charitable deduction a taxpayer may claim in any given year. Generally, cash gifts can be deducted up to 60% of your "contribution base" (in general, adjusted gross income (AGI)), and appreciated securities held by you for more than one year are deductible up to 30% of AGI. Special rules govern the interplay of these limits. Any excess amount may be carried forward and deducted, subject to the applicable limitations, in the five-year period after the year of contribution. Your ability to deduct itemized deductions may be subject to certain other limitations. **Please consult your tax advisor to review your personal situation and tax law applicable at the time of your contribution.**

For more complete information, prospective Donors should contact their financial advisor or the Gift Trust's administrator for the Gift Trust's current Gifting Booklet for Donor-Advised Funds (Gifting Booklet). Read the Gifting Booklet carefully before contributing.

How Donor-Advised Funds Work

1 Make a contribution to a Donor-Advised Fund

2 You are eligible to receive an immediate federal income tax deduction

3 Invest contribution in selected funds⁵

4 Select charitable organizations and make grants on your timetable³

³All grants are subject to the Gift Trust's determination that the grant recipient is a qualified charitable organization and that the grant otherwise meets all applicable legal requirements.

⁴Instead of choosing a Donor Advisor to direct gifts, you may choose to recommend one of the following: (i) that up to ten qualified charitable organizations receive portions of your account after your death, (ii) that the balance of your account or any portion of it be preserved as an endowment account within the Gift Trust for up to ten qualified charitable organizations, or (iii) that the general fund maintained by the Gift Trust receive the balance of your account.

⁵The Board of Directors of the Gift Trust has the authority to make all final allocation decisions.

Donor-Advised Funds Investment Options

Select the fund, or combination of funds, in which you would like your donation to be invested while you decide which charitable organizations to support. The earnings from each investment fund accumulate tax-free, so your gifts have the potential to grow, and could provide even greater support to the charitable organizations you care about.

We offer a broad range of investment funds managed by Eaton Vance, as well as responsible investing funds managed by Calvert Research and Management⁹ (Calvert), Calvert's responsible investing funds may allow you to align your Donor-Advised Fund account with your values.
