Expense ratio is an estimated figure based on the expenses of the underlying investments and including the Donor-Advised Fund expenses described in the current Gifting Booklet (Gifting Booklet). The Donor-Advised Fund expense ratio is 1.03% for the Traditional share class. The underlying investment expenses are determined using investment allocation percentages as of the most recent quarter-end and the expense ratios of the underlying investments based on the most recently published financial statement. The expense ratios for each of the underlying investments are as follows: Growth Fund Traditional III - 0.73%, Growth & Income Fund Traditional III - 0.67%, Income Fund Traditional III - 0.99%, Gift Preservation Fund Traditional III - 1.00% and Cash Management Fund Traditional III - 0.11%.

Contributions to the U.S. Charitable Gift Trust (Gift Trust) are invested in the Donor-Advised Funds, each of which is managed according to different investment objectives as stated in the Gifting Booklet. The Board of Directors of the Gift Trust (Board of Directors) has the authority to make all final allocation decisions. Eaton Vance and its affiliates are the investment advisers of the Donor-Advised Funds. For additional information, please see the Gifting Booklet.

The Traditional I, II, and III Donor-Advised Funds are closed to new investors. Contributions to Donor Accounts created prior to November 22, 2003 are invested in the Traditional I Donor-Advised Funds. Donations to Donor Accounts created on or after November 22, 2003 to August 14, 2009 are invested in the Traditional II Donor-Advised Funds. Donations to Donor Accounts created on or after August 15, 2009 to November 14, 2010 are invested in the Traditional III Donor-Advised Funds. Donations to Donor Accounts created after November 15, 2010 are invested in the Traditional IV Donor-Advised Funds.

Past performance is no guarantee of future results. Account value will fluctuate so that accounts may be worth more or less than their original value. Returns are historical and are calculated by determining the percentage change in NAV with all distributions reinvested. Performance is shown net of Donor-Advised Fund expenses. Each Donor-Advised Fund's short-term performance may differ significantly from its historical long-term performance due to market conditions or other factors. Performance for periods less than one year is not annualized. For additional information regarding fees and expenses, please see the Gifting Booklet.
